

**The workshop on
“Quasiconformal mappings and Mapings of finite distortion”
Prague, September 24–September 28, 2011
First Announcement**

Dear colleague, we are organizing a workshop on Quasiconformal mappings, Mapings of finite distortion and related fields. Workshop will take place at our faculty in Prague from Saturday, September 24 to Tuesday, September 28, 2011. The scientific programme will start on Saturday afternoon, September 24, and will end at noon on Tuesday, September 28.

1. Scientific programme

Invited speakers:

Pekka Koskela (Jyväskylä)
Jan Malý (Prague)
Eero Saksman (Helsinki)
Carlo Sbordone (Napoli)

Short communications: Participants will have the possibility to give short oral contributions.

2. Board, lodging and conference dinner

No conference fee will be paid. The participants are expected to find their own accommodation in Prague, meals will not be organized either. The list of recommended hotels that are close to our faculty can be found at the web page of the conference and we will also provide information about restaurants nearby. We plan to organize a conference dinner on Sunday, September 25, and the fee for the dinner will be about 20EUR for each participant or accompanying person.

3. Registration form and further information

In the case of interest please fill in the preliminary registration form at

<http://www.karlin.mff.cuni.cz/workshopprague2011/2011/>

and we will send you a further information in due time. Please see the conference web-site for additional information or contact the organizers by e-mail:

prague11@karlin.mff.cuni.cz

Please kindly inform your colleagues and students.

We are looking forward to meeting you in Prague.

Robert Černý, Stanislav Hencl and Luboš Pick
