

Stochastic analysis and its applications V

First announcement

Dear Colleagues,

this is a first announcement about the 5th workshop focused on stochastic analysis, stochastic differential equations and their applications. The workshop will be held

- on **January 2 and 3, 2009**
- at the Charles University **in Prague**, Faculty of Mathematics and Physics, Department of Probability and Mathematical Statistics, Sokolovská 83, Prague 8 - Karlín.

We expect that the second announcement with the program of the event will be available by **November 30, 2008**.

In order to be able to put the program together, we would appreciate getting from each speaker

- the title of his/her contribution + abstract.

They can be sent by e-mail to the address introduced below by **October 30, 2008**.

We expect that the contributions will be in English.

If you are going to attend a workshop dinner on Friday, you should count on expenses about CZK 300.

If you are a participant of the workshop and you need an accommodation during this event, please let the organizers know by return.

We are looking forward to Your attendance.
