

Stochastic analysis and its applications X

First announcement

Dear Colleagues,

this is the first announcement about the 10th workshop focused on stochastic analysis, stochastic differential equations and their applications. The workshop will be held

- on **January 3-4, 2014**
- at the Charles University **in Prague**, Faculty of Mathematics and Physics, Department of Probability and Mathematical Statistics, Sokolovská 83, Prague 8 - Karlín.

The program will be updated continuously and it will be available from **3.12.2013** at http://www.karlin.mff.cuni.cz/~dostal/workshop_2_14.pdf

In order to be able to put the program together, we need speakers to provide information whether they intend to have a talk there by **1.12.2013**. We appreciate also the title of the talk and also the abstract.

All the available information about the workshop can be found at the web page of the event

<http://www.karlin.mff.cuni.cz/~dostal/wssa/workshopXa.htm>

We expect that the contributions will be in English.

If you are going to attend a workshop dinner on Friday, you should count on expenses about CZK 300.

We are looking forward to Your attendance.

Petr Dostál
chairman of the organizing committee
