

Job Title: Junior Actuary

***Guy Carpenter & Company, LLC**, the leading global risk and reinsurance specialist, has over a 90-year history of providing integrated solutions to the reinsurance industry. With more than 50 offices around the world, Guy Carpenter delivers a powerful combination of analytics, reinsurance broking expertise, and strategic advisory services to help our clients achieve profitable growth. As our clients' most trusted strategic advisor and reinsurance broker, we leverage our intellectual capital to anticipate and solve for a range of emerging strategic business challenges and opportunities.*

Role Description

This role ideally suits a highly driven, detail focused, determined and self motivated junior actuary or actuarial student in the last year of university studies. The role covers not only working on actuarial projects for large number of our European clients, but also continuous work in applied research.

We expect the successful candidate to be involved in a number of exciting areas of our business, including:

- Traditional reinsurance pricing
- Reinsurance optimisation & design in MetaRisk®
- Client Renewals
- Tender's for new business
- Capital modelling & solvency II advisory
- Models and tools development

Knowledge, skills and experience

Essential:

Graduate degree in actuarial science/statistics or student in last year of studies (preferably VŠE or MFF UK)

Fluent English

Advanced MS Office literacy – MS Excel

Desirable:

Relevant experience gained in the field of Actuarial/General (Re)Insurance

Knowledge of reinsurance concepts

Further European language

MS Access

Programming skills – VBA, SQL

Personal attributes

Thorough, organized, professional, confident

Good communications, interpersonal skills

Analytical and problem solving skills

What we offer

Competitive salary and attractive benefits package

Ongoing international training programme

Know-how background of strong international company

Interesting and dynamic role in the global reinsurance industry

Offices located in Prague (city centre)
